

The Hidden Advantage Workshop

1 Day Public Speed Reading/Memory Course

Invest just 1 day and discover how to read faster, remember more and tackle information overload. In this fun and interactive small group workshop, you'll be introduced to the brain-friendly techniques used by business people all over the planet to save time, boost their reading speed, improve their memory and achieve more each day.

Workshop designed and delivered by Australian Memory Record Breaker Chris Lyons who in 2006 correctly recited Pi to 4,400 places without error.

Chris has appeared on The Today Show, A Current Affair, Today Tonight and demonstrated how effective these techniques can be on radio stations all around Australia. In 2008 Chris won the Australian Memory Championships Names competition by memorising 46 people's names in just 5 minutes.

Purpose Of Workshop

Did you know? We've now been running this course for over 10 years and we've never had a single customer complaint or refund request. Not one. Because Gloo training is fun, fast-paced and effective. But don't just take our word for it. Here's just a small selection of comments from people just like you who've attended our workshops...

"Was amazed at the end of the day how much I was able to recall. Also now reading twice as fast as before the course and remembering more information."

Kurt Butterworth, Paramedic, Queensland Ambulance Service

"Exceptionally helpful. These skills can be used by a high school student to a CEO which is where their strength lies and why I recommend people should do this course. If you are unsure whether to, take my word it will be of huge benefit."

James Carroll, HR & Training Officer, City Of Yarra

"I just have to let you know that I applied my memory and speed reading learnings to my study. I sat the exam last week and got 94% - and I can definitely say that the tips and tricks I learned in The Hidden Advantage Workshop helped contribute to my result. So thank you."

Sue Davidson, Customer Experience Black Belt, Optus

"Loved it. Came for speed reading and got that and so much more. Going to be great to apply the many things I learnt to many facets of my life. Thank you!"

Liesl Tesch, Paralympic Gold Medallist, Sport Matters

"Great day. Enjoyable and fun. The memory systems are really useful. Very good pace, no time wasted."

John Shanahan, CEO, Colmar Brunton

"Hugely impressed with the increase in my ability to recall and read at a faster pace in just a few hours. Many thanks."

Mark Micic, Commercial Law, HSY Autoparts

"The memory sessions were brilliant and I have since used one of the techniques to present a one hour training session without notes, a feat I would never have thought possible before this workshop."

Glen Frost, Partner, PricewaterhouseCoopers

"I found the workshop really beneficial taking away real techniques that I can use every day. In addition it wasn't too much but highly targeted - very worthwhile and really well presented."

Patrick Farrell, Chief Investment Officer, BT

"Very helpful. Doubled my reading speed with higher comprehension."

Michael Kelly, Manager, Matrix Group
